MFHA TEAM CHASE COMMITTEE

THE RULES

ACCEPTANCE OF RULES

All Events run under the auspices of the MFHA Governing Body shall be run in accordance with these Rules and shall accept and be bound by these Rules.

All competitors at such events shall also accept and be bound by such Rules.

Individual events may not impose their own Rules for their event but may impose administrative regulations as they see fit .

RIDERS RESPONSIBILITY

In the case of any Rule affecting riders or their horses, the rider shall be held responsible. In particular riders will be held responsible for adhering to Rules

7 (Protection), 9 (Age), 13 (Horse Welfare), 14 (Abuse of Horses), 15

(Exchanging Horses) and 20 (Personal Accident Insurance).

STEWARDS

There shall be one or more Stewards appointed by each event organiser whose decision in respect of these Rules and of Discipline shall be final, except by later appeal to the Governing Body on payment of a deposit of £50. Mounted Stewards will be on the course with authority to stop any competitor continuing on an exhausted horse or ill treating their horse. If they are not obeyed the whole team may be eliminated.

TEAMS

Each team shall consist of a maximum of four horses and riders and at least three horses and riders shall complete the course successfully for that team to finish.

Medical Matters CONCUSSION

Any rider who sustains concussion shall under no circumstances compete again for at least the remainder of that day.

SAFETY AND PROTECTION

Crash Helmets – it is compulsory for anyone taking part in an MFHA regulated Team Chase to have a hat that has been checked and complies with the standard required by the MFHA Rules, and is colour-tagged to confirm as such . To implement this change, please note:

Safety and Protection It is compulsory for competitors to wear crash helmets to current recognised Safety Standards, and which are identified by a Team Chasing, BE, BRC, BSJA or Pony Club approved Hat Tag. I.e. Hats must meet one of the following standards:

British All PAS015, BSEN1384 or European EN1384 provided they are BSI kitemarked or SEI. American All SEI ASTM 95, ASTM F1163:2004, SNELL E2001. Australian and New Zealand All AS/NZS 3838

Competitors are strongly recommended to check their hats regularly and to replace them if damaged or following a fall.

BSJA approved hats with fixed peaks will not be permitted in Team Chasing from 1st September 2014 onwards.

All those mounted at an event (including grooms and helpers) must wear a hard hat complying to the above standard when mounted.

All competitors must also wear a British Equestrian Trade Association (BETA) approved and appropriately labelled Level 3 body protector manufactured in the year 2000 or after.

Air jackets do not meet the required standard, unless worn with / over a standard BETA-approved body protector. This will be reiterated in a pre-season message to all event organisers.

Competitors are strongly recommended to check their body protectors on a regular basis and replace them if damaged or following a fall and are advised that the body protector should impede neither flexibility nor balance.

All horses being ridden at an event, including riding in exercise areas, must be ridden in a bridle with reins directly attached to a bit or leather 'D' rings or attached as per the manufacturer's specification to a purpose designed bitless bridle (such as a mechanical or jumping hackamore, Dr Cook, Sidepull or Scawbrig).

Guidelines for Competitors:

If your hat has not been colour-tagged previously, please take it to the Secretary's Tent at the next Team Chase where you intend to compete, and ask the Organiser of that event to check the hat and to provide you with a tag which will indicate to all subsequent events that the hat complies with the required standards. The Tag may cost up to £2 from the Organiser of the Team Chase, at their discretion.

RIDERS AGE AND EXPERIENCE

No person shall ride until they have attained the age of sixteen in any Open, Intermediate or Novice Classes which are run against the clock and all riders competing in such classes should ensure that they have had appropriate experience of cross country riding. At the discretion of Organisers riders under the age of sixteen may be permitted to compete in classes judged against the "bogey" time.

VETERINARY MATTERS AND PAYMENT FOR SERVICES

The decision of the course Vet to put a horse down on humane grounds must be accepted by all competitors. Competitors will be expected to pay for any services received from the veterinary surgeon, farrier, horse ambulance, doctor or any other medical services.

EXHAUSTED HORSES

A nominated Steward or Stewards, shall be appointed to stop unfit or exhausted horses from continuing. Such an official or officials, who must be readily identifiable, shall be appointed at every event.

FALLS - ELIMINATION

(a) Horse Falls - When a horse falls during any class, the competitor is immediately eliminated and must retire. This does not prevent horses which stumble or thus unseating the rider, from being remounted to continue, subject to rule 16 (b).***

16 (b) Rider Falls - After two falls which are not Horse Falls the competitor is immediately eliminated and must retire. If the competitor does continue on the course following two Rider Falls their team will be eliminated.
