MFHA TEAM CHASE COMMITTEE- THE RULES – MORE DETAILS AND FULL RULES CAN BE FOUND ON THE TEAM CHASING WEBSITE (IT IS THE COMPETITOR'S RESPONSIBILITY TO READ & ADHERE TO THEM)

RIDERS RESPONSIBILITY In the case of any Rule affecting riders or their horses, the rider shall be held responsible. In particular riders will be held responsible for adhering to Rules 7 (Protection), 9 (Age), 13 (Horse Welfare), 14 (Abuse of Horses), 15 (Exchanging Horses) and 20 (Personal Accident Insurance).

STEWARDS There shall be one or more Stewards appointed by each event organiser whose decision in respect of these Rules and of Discipline shall be final, except by later appeal to the Governing Body on payment of a deposit of £50. Mounted Stewards will be on the course with authority to stop any competitor continuing on an exhausted horse or ill treating their horse. If they are not obeyed the whole team may be eliminated.

TEAMS Each team shall consist of a maximum of four horses and riders and at least three horses and riders shall complete the course successfully for that team to finish.

Medical Matters CONCUSSION Any rider who sustains concussion shall under no circumstances compete again for at least the remainder of that day.

SAFETY AND PROTECTION

Crash Helmets – it is compulsory for anyone taking part in an MFHA regulated Team Chase to have a hat that has been checked and complies with the standard required by the MFHA Rules, and is colour-tagged to confirm as such. To implement this change, please note: It is compulsory for competitors to wear crash helmets to current recognised Safety Standards, and which are identified by a Team Chasing, BE, BRC, BSJA or Pony Club approved Hat Tag

Body Protectors: All competitors must also wear a British Equestrian Trade Association (BETA) approved and appropriately labelled Level 3 body protector manufactured in the year 2000 or after. Air jackets do not meet the required standard, unless worn with / over a standard BETA-approved body protector. This will be reiterated in a pre-season message to all event organisers. Competitors are strongly recommended to check their body protectors on a regular basis and replace them if damaged or following a fall and are advised that the body protector should impede neither flexibility nor balance.

All horses being ridden at an event, including riding in exercise areas, must be ridden in a bridle with reins directly attached to a bit or leather 'D' rings or attached as per the manufacturer's specification to a purpose designed bitless bridle (such as a mechanical or jumping hackamore, Dr Cook, Sidepull or Scawbrig).

Guidelines for Competitors:

If your hat has not been colour-tagged previously, please take it to the Secretary's Tent at the next Team Chase where you intend to compete, and ask the Organiser of that event to check the hat and to provide you with a tag which will indicate to all subsequent events that the hat complies with the required standards

RIDERS AGE AND EXPERIENCE

No person shall ride until they have attained the age of sixteen in any Open, Intermediate or Novice Classes which are run against the clock and all riders competing in such classes should ensure that they have had appropriate experience of cross country riding. At the discretion of Organisers riders under the age of sixteen may be permitted to compete in classes judged against the "bogey" time.

VETERINARY MATTERS AND PAYMENT FOR SERVICES The decision of the course Vet to put a horse down on humane grounds must be accepted by all competitors. Competitors will be expected to pay for any services received from the veterinary surgeon, farrier, horse ambulance, doctor or any other medical services.

EXHAUSTED HORSES A nominated Steward(s) shall be appointed to stop unfit or exhausted horses from continuing. Such an official(s), who must be readily identifiable, shall be appointed at every event.

HORSE WELFARE The whip should only be used for good reason, not excessively, in the right place and at the appropriate time. Spurs must not be used to reprimand a horse and a bit should never be used to abuse or reprimand a horse. Horses competing in Intermediate and Open Classes must be five years old or over.

ABUSE OF HORSES Any act or series of actions, which in the opinion of the Stewards constitutes abuse of a horse shall be considered to be a breach of these Rules and will incur elimination.

EXCHANGING HORSES No rider may exchange horses once a team has started. No horse may start more than once in any class.

FALLS – ELIMINATION

(a) Horse Falls - When a horse falls during any class, the competitor is immediately eliminated and must retire. If the competitor does continue on the course following a horse fall their team will be eliminated. A horse is considered to have fallen when at the same time its shoulder and quarters have touched either the ground or the obstacle and the ground, or when it is trapped in a fence in such a way that it is unable to proceed without assistance or is liable to injure itself. This does not prevent horses which stumble or thus unseat the rider, from being remounted to continue, subject to rule 16 (b).

16 (b) Rider Falls - After two falls which are not Horse Falls the competitor is immediately eliminated and must retire. If the competitor does continue on the course following two Rider Falls their team will be eliminated.

REFUSALS The number of refusals shall not exceed three at any one fence, or five on the course per horse, when the competitor shall be eliminated and must leave the course at once. The Team will be disqualified for an abuse of these rules by any individual member.

UNAFFILIATED EVENTS No rider may compete in the Team Chase Championship, who has taken part in an unaffiliated cross country team event during the current season. Events sanctioned by the Governing Body, the British Horse Society, the Riding Clubs and the Pony Club are exempt from this Rule.

ORGANISER'S RIGHTS The Organiser of all events reserves the right to cancel any class or event, to transfer competitors between classes, to refuse any entry, to alter advertised times, to withhold all or any prize money,

and to eliminate or prevent any competitor from competing who is adjudged not to be adhering to the Rules or who is deemed to be wearing or using inappropriate dress, saddlery and/or equipment.
